STAT

Area of Coverage: China-Hopeh Province; Tientsin

Subjects Covered: Labor unions; Communist reorganization of unions for long-  
shoremen, coolies, night-soil collectors, water carriers, etc.

Scholarship Evaluation: Valuable sociological survey

Review: Based upon a survey of the working conditions of colliers, longshoremen,  
railroad packers, water carriers, and night-soil collectors in Tientsin.  
Gives data on the number of workers in each group, their age distri-  
bution, and educational level. Section 1 covers the investigation of  
the aforementioned groups, including pedicab drivers, transportation  
workers, baggage carriers, etc. Section 2 consists of reports from  
the various unions which represent these groups. Section 3 deals with  
the negotiations and conclusions of collective agreements between  
unions and employers. Section 4 consists of work reports of the  
Tientsin Transport and Teamster Union.

Survey is a "pilot" project and the results of the investigation  
and the procedure of unionizing these workers are expected to guide the  
investigation and organization of workers in other urban areas.
